FOR IMMEDIATE RELEASE

AMTC is awarded Building Operating Management (BOM) Magazine's 2011 Top Products Award for its Water Saving DUALFLUSH® Handle

WOODLAND HILLS, CA (January 2011) - The Top Products Award recognize the most popular manufacturers and suppliers of the year, as determined by building and facility executives who participated in a national survey.

About AMTC

AMTC is a leading manufacturer of advanced plumbing systems and water conservation devices for commercial applications. The company specializes in "touch-free" electronic flush valves, urinal and commercial toilet systems, electronic faucet systems, and electronic soap dispenser systems. All of AMTC's electronic plumbing systems utilize its proprietary Micro-Cam Technology as a more reliable alternative to solenoid technology usually found in most competitor systems.
