FOR IMMEDIATE RELEASE

AMTC Partners with the Environmental Protection Agency (EPA) WaterSense Program

WOODLAND HILLS, CA (June 2009) - AMTC becomes a partner of the Environmental Protection Agency (EPA) WaterSense Program demonstrating its continuous commitment to the development of water conservation commercial plumbing products.

About AMTC

AMTC is a leading manufacturer of advanced plumbing systems and water conservation devices for commercial applications. The company specializes in “touch-free” electronic flush valves, urinal and commercial toilet systems, electronic faucet systems, and electronic soap dispenser systems. All of AMTC’s electronic plumbing systems utilize its proprietary Micro-Cam Technology as a more reliable alternative to solenoid technology usually found in most competitor systems.
