## FOR IMMEDIATE RELEASE

### **AMTC Introduces an interactive Water and Maintenance Savings ROI Calculator**

WOODLAND HILLS, CA (September 2010) - AMTC is committed to helping you achieve your water savings goals. We have created an interactive calculator that helps you in determining which of AMTC's full range of washroom products are right for you. Whether you are looking to improve hygiene, save water, and reduce maintenance costs this tool will help you in selecting the right product for your facility.

#### About AMTC

AMTC is a leading manufacturer of advanced plumbing systems and water conservation devices for commercial applications. The company specializes in "touch-free" electronic flush valves, urinal and commercial toilet systems, electronic faucet systems, and electronic soap dispenser systems. All of AMTC's electronic plumbing systems utilize its proprietary Micro-Cam Technology as a more reliable alternative to solenoid technology usually found in most competitor systems.
